NOTE FOR: Associate Deputy Director for Administration
FROM : James H. McDonald
Director of Logistics
SUBJECT : Headquarters Compound Photography

In continuation of the DDCI Project of Headquarters photography, P&PD has prepared the attached prints which are representative of present holdings. They are intended to stimulate suggestions or ideas on new requirements, if desired. (Note that some scenes are obviously dated.) Ideally, if new requirements are identified, we can supply material from our files or shoot new scenes. These prints are samples rather than ultimate in quality.
